Acquisition Frequently Asked Questions:

How often do new issues come out? How long is a subscription?

New issues come out every 6 months, spring and fall. A subscription is four issues, or two years.

Can we get a pro forma invoice and pay by check?

The website will generate a pro forma invoice if you select invoice from the payment options. You will be emailed a printable invoice with all necessary detail. The items ship when payment is received.

Can we pay with an institutional credit card?

Institutional credit cards are accepted. You may have a separate billing and shipping.

How are items shipped?

Shipments of 2 DVDs or less are shipped first class mail. Larger shipments are sent via UPS.

Are the prices listed institutional prices?

All ASPECT items sell for the same price to institutions as individuals.

Does the DVD come with classroom and library rights?

All ASPECT items come with classroom and library rights at no additional cost.

What about international institutions?

ASPECT will ship internationally via US Mail. There is an extra charge for international shipping that is calculated on the web site. Typically international shipping is \$6 per DVD.

Where can I get a W-9 for Aspect Magazine, Inc?
